

# THE ENVIRONMENT MATTERS AT ST MARGARET'S 2019-2020

## SIX ACTION STEPS FOR THE YEAR AHEAD

VISION: *A community that reflects Christ's love by caring for His world*

### 1. Promoting environmental sustainability

### 2. Supporting youth participation and interfaith sharing

See page [Catholic Youth Network for Environmental Sustainability in Africa \(CYNEA\)](#)

### 3. Focusing on specific parish issues

- Reduce consumption

- Water-wise management inside and out

- Buy and use only products that can be recycled

### 4. Accessing of information

### 5. Praying for appropriate action

### 6. Providing relevant information for the parish –
